## EXPERIENCE

### GEEK DANCE INFORMATION TECHNOLOGY COMPANY | UI DESIGN INTERN SHENZHEN, CHINA • 05/2025 - 07/2025

- Developed and executed intuitive UI/UX solutions for [Dting AI Recording Pen companion app](#), collaborating with Engineering, Product and Business teams to resolve bottlenecks and ensure alignment on features and timelines with clients. Resulted in improving new-user first-time task-completion rate by ~38% through content and interaction optimization, demonstrating an analytical approach to user-centric problem-solving.
- Designed core interaction flows, key screens, and visual assets for the Android/iOS applications across multiple iterations from ideation to launch.
- Managed and delivered brand-aligned visual solutions for 3+ external partnership marketing initiatives (websites and mobile). Translated client specifications into actionable visual requirements, provided proactive communication with external stakeholders to address issues and ensure the final output strictly aligned with both client needs and internal brand quality.
